

# Environmental Policy

**F&J Exports Ltd recognises the impacts that its operations, activities and waste arising have on the environment. We maintain a commitment to minimise the adverse effects of those impacts through the implementation and continual improvement of an environmental management system ISO14001.**

Our environmental management system will ensure compliance with environmental legislation and the prevention of pollution through appropriate risk control consistent with maintaining an exceptional service to its customers.

**F&J Exports Ltd is therefore committed to the following key policy principles:**

Integrating the consideration of environmental concerns and impacts into all of our decision making and activities  
Recognising that the minimum acceptable level of environmental performance is that set out in current environmental legislation

**Setting clear environmental objectives and regularly monitoring progress against them**  
**We will monitor the consumption rates of our utilities and consumable products and seek to minimise, reuse and recycle these where possible.**

Minimising the generation of waste and reducing its environmental impact through responsible disposal and recycling options

**Minimising the use and emission to the environment of any hazardous materials used in the Company's processes and activities and sourcing non-hazardous alternatives where commercially viable**

Purchasing recycled, recyclable and environmentally responsible products where these are available, economical and suitable

**Working in partnership with suppliers and customers to establish high environmental standards**

Continue to work with customers who have RDF Facilities

**Where possible, work with suppliers who hold or working towards ISO14001**

Promoting environmental awareness among employees and training staff about environmental issues that affect their work and their responsibilities in maintaining good environmental management

**Communicating the Company's Environmental Policy and commitments to all staff, suppliers, customers and other interested parties.**
